## TRUE LIFETIME FINISHES

The Baldwin Lifetime Finish uses a sophisticated formulation of layered nickel alloys to create crisp detailing, brilliantly pure color, and outstanding resistance to corrosion—particularly in salt air environments.

- Guaranteed beautiful for 100 years
- Made with patent-protected PVD technology that interrupts the aging process
- 89% thicker finish than nearest competitor

*The Baldwin Lifetime finish is 89% thicker than the nearest competitor.*

**TIER 2**

**\* VENETIAN BRONZE HAND-RELIEVED FINISH VARIANCES:**

Venetian Bronze finish 112 is HAND RELIEVED and may vary in luster, hue and appearance as a result of handcrafted variances in the final finishing step.

## ABOUT CGI WINDOWS & DOORS

CGI has a strong reputation for offering architectural-grade impact windows and doors with unique features and high-quality construction that exceed industry standards. CGI products have been specified and installed in some of the most prestigious residential and commercial projects in South Florida, including the Palm Beach Breakers Hotel historical restoration. Established in 1992, the company was the first impact window and door manufacturer to offer PVB laminated glass designed exclusively to meet the Miami-Dade County impact-resistant protocols.
